

(i) Provided written notification of the maturity date of the loan and the debtor has not repaid the loan by the maturity date or, in the case of a non-recourse price support loan, has not repaid the loan or forfeited the loan collateral to CCC by the date specified by CCC;

(ii) Notified of CCC's intent to establish an account on a debt record 30 days after the maturity date, or other applicable period of time, if the loan is not settled in accordance with the loan agreement;

(iii) Notified of the right to pursue an administrative appeal in accordance with part 780 of this title if such an opportunity has not been previously provided;

(iv) Provided an opportunity to inspect and copy CCC records related to the debt; and

(v) Notified in writing that the debt may be collected by administrative offset if the loan is not repaid or, with respect to nonrecourse loans only, settled through forfeiture of the loan collateral.

(2) After a claim has been established by CCC with respect to a loan which has not been settled by the date specified in the loan agreement:

(i) In the event CCC takes possession of the collateral which is security for a nonrecourse of recourse loan made in accordance with parts 1421, 1427, 1434, or 1435 of this chapter, the value of such loan collateral shall be determined by CCC in accordance with the provisions of such parts which are used to determine the settlement value of the collateral. The value of such collateral shall be applied to the claim. Any amount remaining due on the claim must be paid by the debtor.

(ii) In the event CCC takes possession of the collateral which is the security for any other loan, the value of such collateral, as determined by CCC, less any costs incurred by CCC in taking possession and disposing of the collateral, shall be applied to the claim. Any amount remaining due on the claim must be paid by the debtor.

§ 1403.8 Withholding.

(a) Withholding of a payment prior to the completion of an applicable offset procedure may be made from amounts payable to a debtor by CCC to ensure that the interests of CCC and the United States will be protected as provided in this section.

(b) A payment may be withheld to protect the interests of CCC or the United States only if CCC determines that:

(1) There has been a serious breach of contract or violation of program requirements and the withholding action is considered necessary to protect the financial interests of CCC;

(2) There is substantial evidence of violations of criminal or civil frauds statutes and criminal prosecution or civil frauds action is of primary importance to program operations of CCC;

(3) Prior experience with the debtor indicates that collection will be difficult if amounts payable to the debtor are not withheld;

(4) There is doubt that the debtor will be financially able to pay a judgment on the claim of CCC;

(5) The facts available to CCC are insufficient to determine the amount to be offset or the proper payee;

(6) A judgment on a claim of CCC has been obtained; or

(7) Such action has been requested by the Department of Justice.

(c) Except for debts due CCC or FSA, withholding action by CCC on amounts payable to debtors of other Government agencies may not be made unless requested by the Department of Justice.

§ 1403.9 Late payment interest and administrative charges.

(a)(1) The provisions of this section are applicable to all persons whose debt to CCC becomes delinquent after January 1, 1990, unless the debtor and CCC agree otherwise.

(2) Late payment interest provisions of this section shall not apply:

(i) To debts owed by Federal agencies and State and local governments. Interest on debts owed by such entities

shall be charged in accordance with applicable statutes or, if none are applicable, at the rate of interest charged by the U.S. Treasury for funds borrowed by CCC on the day the debt became delinquent;

(ii) If an applicable statute, regulation, agreement or contract either prohibits the charging of such interest or specifies the interest or charges applicable to the debt involved;

(iii) If the late payment interest is waived by CCC.

(b) CCC will assess late payment interest on the full amount of delinquent debts. For purposes of this section, the term "full amount of the delinquent debt" means the sum of the principal, accrued regular loan interest or accrued program interest, and any other charges which are otherwise due and owing to CCC on the delinquent debt at the time the late payment interest is assessed, except as provided in paragraphs (a)(2) and (d)(3) of this section.

(c) The late payment interest shall be expressed as an annual rate of interest which CCC charges on delinquent debts. The late payment interest rate shall be equal to the higher of the Treasury Department's current value of funds rate or the rate of interest assessed under the Prompt Payment Act, determined as of the date specified in paragraphs (d)(1) and (d)(2) of this section.

(d)(1) When a debt results from a statute, regulation, contract or other agreement with specific provisions for late payment interest and payment due date, late payment interest shall accrue on the amount of the debt from the first day the debt became delinquent, unless otherwise provided by statute.

(2) With respect to debts not resulting from a statute, regulation, contract or agreement containing specific provisions for late payment interest and payment due date, late payment interest shall begin to accrue from the date on which notice of the debt is first mailed or hand-delivered to the debtor, except that, with respect to debts resulting from price support loans, late payment interest shall begin to accrue from the date on which a claim is established.

(3) The rate of late payment interest initially assessed will be fixed for the duration of the indebtedness, except when a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement. CCC may then set a new rate of interest which reflects the late payment interest rate in effect at the time the new agreement is executed. All charges which accrued, but which were not collected under the defaulted agreement, shall be added to the principal to be paid under a new repayment agreement.

(4) The late payment interest on delinquent debts will accrue on a daily basis.

(e)(1) Except as specified in paragraphs (a)(2) and (e)(2) of this section, an additional interest rate of three (3) percent per annum will be assessed on any portion of a debt which remains unpaid 90 days after the date described in paragraph (d)(1) or (d)(2) of this section, if no repayment schedule satisfactory to CCC has been agreed upon. Such rate will be assessed retroactively from the date late payment interest began to accrue and apply on a daily basis. Such rate shall continue to accrue until the delinquent debt has been paid.

(2) With respect to debts resulting from price support loans, an additional interest rate of three (3) percent per annum will be assessed on a portion of a debt which remains unpaid 60 days after the date on which a claim was established. Such rate will be assessed retroactively from the date of claim establishment and apply on a daily basis. Such rate shall continue to accrue until the delinquent debt has been paid.

(f) CCC shall assess as administrative charges the additional costs of processing delinquent debts against the debtor, to the extent such costs are attributable to the delinquency. Such costs include, but are not limited to, costs incurred in obtaining a credit report, costs of employing commercial firms to locate debtor, costs of employing contractors for collection services, costs of selling collateral or property to satisfy the debt.

(g) When a debt is paid in partial or installment payments, payments will be applied first to administrative

§ 1403.10 Waiver of late payment interest, additional interest and administrative charges.

(a) Except for debts resulting from price support loans, CCC shall waive the collection of late payment interest and administrative charges on a debt or any portion of a debt which is paid within 30 days after the date on which late payment interest began to accrue.

(b) CCC may waive the assessment and collection of all or a portion of the additional interest on debts which are appealed in accordance with 7 CFR part 780, or other applicable appeal procedures, from either the date of the appeal or the date of delinquency, as determined by CCC, until the date a final administrative determination is issued. However, with respect to CCC programs administered by the Foreign Agricultural Service, CCC shall waive the assessment and collection of additional interest on debts which are appealed in accordance with 7 CFR part 780, or other applicable appeal procedures, from the date of delinquency until 30 days after the date of the letter informing the appellant of the final administrative determination. The waiver provisions of the paragraph shall not apply during any period of delay due to:

(1) The appellant's request for a postponement of the scheduled hearing;

(2) The appellant's request for an additional time following the hearing to present additional information or a written closing statement; or

(3) The appellant's failure to timely present information to the reviewing authority.

(c) Assessment and collection of late payment interest, additional interest and administrative charges under this part may be waived by CCC in full, or in part, if it is determined that such action is in the best interest of CCC.

[54 FR 52878, Dec. 22, 1989, as amended at 56 FR 66956, Dec. 27, 1991]

§ 1403.11 Administrative appeal.

If the opportunity to appeal the determination has not previously been provided under part 24 or 780 of this title or any other appeal procedure, a debtor may obtain an administrative review under part 780 of this title, or other applicable appeal procedures, of CCC's determination concerning the existence or amount of a debt, if a request is filed with the authority who made the determination within 15 days of the date of CCC's initial demand letter, unless a longer period is specified in the initial demand letter.

§ 1403.12 Additional administrative collection action.

Nothing contained in this part shall preclude the use of any other administrative or contractual remedy which may be available to CCC to collect debts owed to the Government.

§ 1403.13 Contact with debtor's employing agency.

When a debtor is employed by the Federal Government or is a member of the military establishment or the Coast Guard, and collection by offset cannot be accomplished in accordance with 5 U.S.C. 5514, CCC may contact the employing agency to arrange for payment of the debt by allotment or otherwise, in accordance with section 206 of Executive Order No. 11222, May 8, 1965, 30 FR 6469.

§ 1403.14 Prior provision of rights with respect to debt.

CCC will not provide an administrative appeal with respect to issues which were subject to administrative review at the debtor's request as provided under another statute or regulation before:

(a) Effecting administrative offset;

(b) Referring the debt to private collection or credit reporting agencies;

(c) Referring the debt to the Office of Personnel Management (OPM) for salary offset against the current pay of a present or former Government employee; or

(d) Referring the debt to IRS for tax refund offset.
